Classic Cocktails

During Happy Hour (Mon-Fri, 5-8pm), cocktails marked **H/H** are **buy one, get one free**.

H/H Manhattan £6.75

Around since 1860, the Manhattan has been popular with advocates from Frank Sinatra to Ron Burgundy since. We serve ours sweet, but we have no qualms serving it dry or perfect if you prefer.

H/H Cosmopolitan £6.75

Created in Florida to look pretty and pink; transformed into a classic in San Francisco by mistake; loved the world over. Vodka, cranberry and citrus notes with flamed essential oils.

H/H Boston Sidecar £6.75

Originally made for a general who had to be chauffeured home because he liked them so much, the Boston version uses rum as well as cognac, with orange liqueur and fresh lime juice.

Margarita £7.50

Tequila, it makes us happy! No wonder this is the world's most popular cocktail. Sweet, sour, salty and superb! Let your server know if you'd rather have it without the salt crust.

H/H Brandy Alexander £6.75

A prohibition favourite, with the original Alexander dating back to 1915. Sumptuous VS cognac folded through double cream, chocolate liqueur and a pinch of freshly grated nutmeg.

H/H Corn 'n' Oil £6.75

The oil in the drink is the dark and liquoricy Gosling's Black Seal rum, stirred with Velvet Falernum, a caribbean clove and lime liqueur and bitters for a warmingly sweet, sticky, zesty sipper.

Whiskey Sour £6.95

The original Sour, created way back in 1872 by a British sailor exploring Peru in a boat named "Sunshine". Bourbon is shaken hard with fresh lemon juice, frothy egg white, sugar and a dash of bitters.

Simple Twisted Classics

We've given our classics a seasonal spin and right now we've chosen chocolate and spices.

H/H Peppermint & Licorice £6.75

This is our latest tribute to one of the greatest whiskey cocktails ever. Bourbon whiskey is stirred with a Scandinavian licorice liqueur and served straight up. It will put hairs on your chest for cold Nordic nights.

H/H Cherry & Vanilla £6.75

Soft, subtle vanilla vodka and a rich, spiced dark cherry liqueur shaken with the traditional lime and cranberry juices for a juicy, fruity finish.

H/H Gingerbread £6.75

We add a little winterspice to the classic recipe of cognac and Cointreau to bring the taste of winter markets into our cosy little bar. If you get a red nose, it won't be from the cold!

Chilli & Orange £7.95

Fresh red chilli gives a kick of heat to this earthy, spiced twist of 100% agave tequila. The gringos might find it fierce, but we're confident those who brave it will find it deeply rewarding.

Chocolate Cherry £7.95

French cherry, vanilla & almond liqueur shaken with luxurious Austrian chocolate liqueur, double cream and a little something to make it extra smooth make this cocktail far too nice to be good for you!

H/H Chocolate & Cardamom £6.75

A flavour combination from pastry chefs around the world. Dark chocolate and citrusy cardamom combine beautifully with fresh lime and lashings of naval rum.

Rhubarb & Ginger £6.95

Keep the winter out with this dry, spicy and deeply satisfying draught. Fresh root ginger muddled with rhubarb liqueur, tangy lemon juice and sugar, with a twist of orange zest.
